

```
SELECT Sum(salary),Did  
From Employee  
WHERE Address like '_a%'  
Group by Did  
HAVING max(salary)> 20000
```

No rows because no salary has more than 20000

```
SELECT Min(Salary),Address  
From Employee  
WHERE Did in(20,30)  
Group by Address  
HAVING Count(ID)>= 4
```

Mansours = 3000 ---have min salary, count ID =4, and from Did 30
